Heal This Heartbreak

JLS

Walking around like a wounded soldier
Out of my mind in a nightmare
Wishing it's over, try to get overHow can I fight when my heart is frozen?
Stumbling 'round in the twilight
Everything's colder, she left me colderI see her, feel her every movement
All around me
Every time I close my eyes
She invades my mindAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, heartbreakAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, a heartbreakShe's like the fire and the flame in my heart
She's like a beautiful pain
Killing me softly and slowlyShe's got a way that can break you to pieces
Leaving you hurting for days
Try to get over, it's hard to get overIt's not easy, every time she leaves me
I go crazy
My head spins, my heart goes numb
All that's said and doneAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, heartbreakAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, a heartbreakI've got to get through this
I've got to get through
I've got to get through this
Help me be rid of this heartbreak, this heartbreakI've got to get through this
I've got to get through
I've got to get through this
Help me be rid of this heartbreak
This heartbreak, this heartbreakAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, heartbreakAnd I don't know why she had to go
And I don't know where to turn
Or how to heal a heartbreak, a heartbreak
