The Life

Fifth Harmony

[Intro]
Fifth Harmony
Yeah, yeah[Verse 1]
Ever since I'm young I'm tryna get it right
Every year I'm looking for the gold
Don't sleep 'til we see the daylight
Living big, going up on the rope
I like seeing all the bright lights
Keep it up, pour it up for the night
Two times, I'mma get it two times
Double up, run it back on my mind[Pre-Chorus]
This is the life, life, life
This is the life, life, life
This is the life, life, life
(This is the life)
This is the life, life, life
(This is the life)
This is the life, life, life
(This is the life)[Chorus]
Give it up for the kids
Eating good, getting lit
Living life feeling rich
Oh, I, Oh, I, this is the life
We the best in the biz
Breaking up ain't a chance
Living life feeling rich
Oh, I, Oh, I, yeah[Verse 2]
Level up, meet me court side
Tricking out, whipping hard in the coupe
I'mma go, gotta board flight
Of the term, there's a show I gotta do
No stress baby you can find us
Getting down on a beach in Dubai
Pool side sipping on a Mai Tai
Double up, run it back on my mind[Pre-Chorus]
This is the life, life, life
This is the life, life, life
This is the life, life, life
(This is the life)

This is the life, life, life
(This is the life)
This is the life, life, life
(This is the life)[Chorus]
Give it up for the kids
Eating good, getting lit
Living life feeling rich
Oh, I, Oh, I, this is the life
We the best in the biz
Breaking up ain't a chance
Living life feeling rich
Oh, I, Oh, I, yeah[Bridge]
No stress baby you can find us
Getting down on a beach in Dubai
Pool side sipping on a Mai Tai
Double up, up, up, up....[Pre-Chorus]
This is the life, life, life
This is the life, life, life
This is the life, life, life
(This is the life)
This is the life, life, life
(This is the life)
This is the life, life, life
(This is the life)[Chorus]
Give it up for the kids
Eating good, getting lit
Living life feeling rich
Oh, I, Oh, I, this is the life
We the best in the biz
Breaking up ain't a chance
Living life feeling rich
Oh, I, Oh, I, yeah[Outro]
This is the life
