Please Don't Stop the Rain

[James Morrison](#)

I dont know where I crossed the line
Was it something that I said or didnt say this time?And I dont know if its me or you
But I can see the skies are changing
No longer shades of blue
I dont know which way its gonna goIf its going to be a rainy day
Theres nothing we can do to make it change
We can pray for sunny weather
But that wont stop the rainYoure feeling like youve got no place to run
I can be your shelter 'til its done
We can make this last forever
So please dont stop the rainLet it fall, let it fall, let it fall
Please dont stop the rain
Let it fall, let it fall, let it fall
Please dont stop the rainI thought that time was on our side
Ive put in far too many years to let this pass us byYou see life is a crazy thing
Therell be good times and therell be bad times
And everything in between
And I dont know which ways its gonna goIf its going to be a rainy day
Theres nothing we can do to make it change
We can pray for sunny weather
But that wont stop the rainFeeling like youve got no place to run
I can be your shelter 'til its done
We can make this last forever
So please dont stop the rainLet it fall, let it fall, let it fall
Please dont stop the rain
Let it fall, let it fall, let it fall
Please dont stop the rainOh, were a little closer now
In finding what lifes all about
Yeah, I know you just cant stand it
When things dont go your way
But weve got no control over what happens anywayIf its going to be a rainy day
Theres nothing we can do to make it change
We can pray for sunny weather
But that wont stop the rainFeeling like youve got no place to run
I can be your shelter 'til its done
We can make this last forever
So please dont stop the rainLet it fall, let it fall, let it fall
Please dont stop the rain
Let it fall, let it fall, let it fall

Please dont stop the rainLet it fall, let it fall, let it fall
Let it fall, let it fall, let it fall
Please dont stop the rain
