

# Fall Line

Jack Johnson

And by the way, you know that hope  
Will make you strange  
Make you blink, make you blink  
Make you sink  
It will make you afraid of change  
Enough to blame the box with the view of the world  
And the walls that fill the frame  
I turn it up  
But then I turn it off  
Because I can't stand  
When they start to talk about  
The hurting and killing  
Whose shoes are we feeling  
The damage and ruin  
And the things that we're doing  
Gotta  
We gotta stop  
We gotta turn it all off  
We gotta rewind  
Start it up again  
Because we fell across the fall line  
Ain't nothing sacred anymore  
Nah nah nah nah nah nah nah  
Somebody saw him jump  
Yeah, but nobody saw him slip  
I guess he lost a lot a hope  
And then he lost a grip  
And now he's lying in the freeway  
In the middle of this mess  
Guess we lost another one, just like the other one  
Optimistic, hypocrite that didn't have the nerve to quit  
The things that kept him wanted more  
Until he finally reached the core  
He fell across the fall line  
Ain't nothing sacred anymore
