

Monster

Paramore

You were my conscience
So solid, now you're like water
And we started drowning
Not like we'd sink any farther
But I let my heart go
It's somewhere down at the bottom
But I'll get a new one
And come back for the hope that you've stolen
I'll stop the whole world... from turning into a monster
Eating us alive
Don't you ever wonder how we survived
Now that you're gone
The world is ours
I'm only human
I've got a skeleton in me
But I'm not the villain
Despite what you're always preaching
Call me a traitor
I'm just collecting your victims
And they're getting stronger
I hear them calling
(They're calling)
I'll stop the whole world
I'll stop the whole world... from turning into a monster
Eating us alive
Don't you ever wonder how we survived
But now that you're gone
The world is ours
When you find a strength and solutions
But I like the tension
And not always knowing the answers
Well you're gonna lose it... You're gonna lose it
I'll stop the whole world... from turning into a monster
Eating us alive
Don't you ever wonder how we survived
Now that you're gone
The world
I'll stop the whole world
I'll stop the whole world... from turning into a monster
Eating us alive
Don't you ever wonder how we survived
Now that you're gone
The world is ours
