

Take Me

Cowboy Junkies

Take me to the river
And we'll watch the water roll
Take me in your warmth
And you'll fill my empty soul Come on and take me, take me, take me
Come on and take me, take me, take me Take me to the ocean
Where the water never run
Take me in your love
And I'll be your lifetime friend Come on and take me, take me, take me
Come on and take me, take me, take me Take me to the storm
Where the thunder meets the light
Take me in your gentle arms
And I'll love you through the night Come on and take me, take me, take me
Come on and take me, take me, take me
