

Tell Him

Glee Cast

Marley:

I know something about love

Brittany:

You've gotta want it bad

Marley:

If that guy's got into your blood

Brittany:

Go out and get him

Brittany and Marley:

If you want him to be

The very part of you

Makes you want to breathe

Here's the thing to do

Brittany and Marley with New Directions Girls:

Tell him that you're never gonna leave him

Tell him that you're always gonna love him

Tell him, tell him, tell him, tell him right now

Brittany:

I know something about love

Marley:

You gotta show it and

Make him see the moon up above

Brittany and Marley:

Reach out and get him

If you want him to be always by your side

If you want him to only think of you

Brittany and Marley with New Directions Girls:

Tell him that you're never gonna leave him

Tell him that you're always gonna love him

Tell him, tell him, tell him, tell him right now

Brittany:
Ever since the world began
It's been that way for man
And women were created (New Directions Girls: Ah)

Marley:
To make love their destiny
Then why should true love be
So complicated, oh, yeah

Brittany and Marley:
Oh (New Directions Girls: Ah)
I know something about love (New Directions Girls: Ah)
You gotta take his hand (New Directions Girls: Ah)
Show him what the world is made of (New Directions Girls: Ah)
One kiss will prove it (New Directions Girls: Do, do)
If you want him to be always by your side (New Directions Girls: Do, do, do, do, do, do, do, do)
Take his hand tonight (New Directions girls: do, do, do, do)
Swallow your foolish pride

Brittany and Marley with New Directions Girls:
Tell him that you're never gonna leave him
Tell him that you're always gonna love him

Brittany with New Directions Girls (Marley):
Tell him, tell him, tell him, tell him right now (Oh, you have to tell him now!)
Tell him that you're never gonna leave him (Oh, yeah!)
Tell him that you're always gonna love him (Yeah!)
(Girl, you gotta to tell him right now!)
Tell him that you're never gonna leave him (Oh, yeah!)
Tell him that you're always gonna love him (Yeah!)
(Just take his hand in yours and tell him!)
Tell him, tell him, tell him, tell him right now
(Just take his hand in yours and tell him!)
Tell him, tell him, tell him, tell him right now (Tell him right now!)
