

Secondary Swan

Quilt

You were my secondary [?]
All night I dreamt like a dove
Woke up in a mirage of tomorrow
And now I'm seasoned as a swan Oh only twice
I dreamt of a low tide but i couldn't see your eyes Sang to you with the loving that was language
Silence retreated with a yawn
Into the space beyond the echo
Where i can breathe with the dawn
Oh say goodnight
To bring about the dying light in my own device
Oh sent my way
Laughing doves full of sound And then i woke up to you laughing
It's waht i felt for so long
No more worries of tomorrow
In the time when we'll be so young Oh say goodnight
To bring about the dying light in my own device
Oh sent our way
Laughing our way back home Oh ho the seasons of
Standing in the sea
Wondering if secondary
Swan will come with me
Oh ho my lady she's
Coming back to me
And the weather from her eyes is my
Sorrow and my pride (Oh ho whooooh)
