

# Seeing Red

## Threat Signal

Blind the eyes of humanity  
Twisting the minds of this race  
Living disgrace, abomination  
Driving everyone towards the hate

I am justified to unite with my own kind  
Not to follow, not to prejudge  
I decide who is real from what's revealed  
This shattered past can't conceal

For all the tears I've shed  
This one for you is red

What will it take  
To repent your mistakes  
This war will be won  
We've only just begun

The blood has been shed and the rows  
Upon rows of the dead are unknown  
The victims who lie deep beneath us  
At peace are not forgotten

For all the tears I've shed  
This one for you is red  
It's so unreal

For all the tears, the tears I've shed  
I'm bleeding and so should you
