

Sure Thing (Live at KPFK)

The Dream Syndicate

and here it goes again
oh it's looking good again
oh no, I can't, can't, can't really conquer
oh it's enough to make we want to shout again
hey, it's a sure thing baby oh yeah
well it's a sure thing baby
you know it is here it comes again
oh I can't, I can't start to fall again
oh no I don't, don't, don't know where it comes from
so it hits me again, again, again and again
oh yeah, it's a sure thing baby
well it's a sure thing baby
you know it is right now listen, listen!
I can hear the bells again
oh the things are looking good again
oh no I can't can't know where it come from
it's enough to make me shout
again and again oh yeah
it's a sure thing baby
it's a sure thing baby, you know it is
I can hear the bells again (7X)
