

Worthless

Ministry

Hate yourself
Self preservation
Torture yourself
Til the system cracks
Despise yourself You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to me Kill yourself
That's what you wanted
Pity yourself
You're a righteous man
Destroy yourself You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to me Rape yourself
Self-degradation
Fuck yourself
Till there's no way back
Just fight yourself You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to me
