

My Aphrodisiac Is You

Katie Melua

Some people say
That oysters make you come on strong
But I don't buy it
I don't believe my diet turns me on Won't take no pills
That's the last thing that I need to do
I can't deny it
My aphrodisiac is you Alright, I could sniff some powdered rhino horn
And go to bed in rubber gloves
But I don't need no stimulation
Potions, balms or embrocation
I'm in love, in other words Don't smoke no grass
Or opium from old Hong Kong
That hubble bubble, just makes me see you double
All night long Don't waste my time
With Spanish fly and roots to chew
They 'cause me trouble
Because my aphrodisiac is you Alright, I could sniff some powdered rhino horn
And go to bed in rubber gloves
But I don't need no stimulation
Potions, balms or embrocation
I'm in love, in other words Some people like
To read the first
But I don't need it, I think if I should read it
I'd be worse Don't ask me why
Because baby, I ain't got a clue
I just concede it
My aphrodisiac is ahh you
