Sometimes I'm Right

Hubert Sumlin

Sometimes Iâ€™m right,
Sometimes Iâ€˜m wrong, baby,
But I tell you what Iâ€™m goinâ€™ to do, look her, little girl,
I canâ€™t be right always,
I canâ€™t be wrong always neither, baby,
Ma Girl youâ€™r ma baby, sugar.
Mmm I love you girl,
Ahhh you are ma baby,
All ma problems I had,
Baby, baby, baby, baby, baby it was yours just it was like mine, sugar.
Its my problem, baby, too
Little girl, all of my love, all of my love is for you, sugar,
Is love here?
Little girl, little girl I think I am right.
[Piano rift]
All the time I love you,
Baby, baby, baby, baby, baby with the love you bring me.
Ummm but I love you girl,
Little girl that is why I am not going to let you be, baby.
Mmmm Baby, I love love you love you little girl thatâ€™s why I have got to be right
[Guitar rift]
So why cant I be right, but I knowâ€¦.
Fades away
