

# Triple 6 Mafia

## Three 6 Mafia

Triple 6 mafia  
Triple triple 6 mafia  
Triple 6 triple triple 6 mafia  
Triple 6 triple 6 triple 6 mafia  
It's gon' be a deadly night  
Kinda silent kinda violent as we stroll  
These niggas got anna  
But I found out that's the way it goes  
The Triple 6 Mafia be like quick to ride on some tricks  
While smokin' on mega blunts  
Hoe we take care of our business (triple 6 mafia)  
The Koopsta the Knicca  
The Ciz-ap-pella is on the scene  
The Diz-Nevil's daughter  
Gangsta Boo be lookin' so so mean  
Call up Crunchy Black  
Get the gats  
Let them bustas know  
That fuckin' with triple 6  
Yeah young bitches you gotta go (triple 6 mafia)  
The Cali the hundred  
The tricks that wanted I bucked down

The Killa Man DJ Paul  
The G with the evil frown  
These niggas be talkin' shit  
Bout who and who they don't like  
These pimp hatin' bitches gonna make a playa  
Just take their life (triple 6 mafia)  
Scarecrow is the nigga  
The mystic nigga that's so damn slick  
A natural born killa  
With no remorse on a funky bitch  
The Juice Man be quick to  
Buck with them thangs he be droppin' ya  
You bustas can't stand a chance  
The Triple 6 Mafia(triple 6...) triple 6 mafia  
Chorus  
Triple 6 mafia

Triple triple 6 mafia...  
Triple 6 triple triple 6 mafia  
Triple triple 6 mafia triple 6 mafia...
