Mistreated

Rainbow

I've been mistreated, oh
I've been abused, yeah
I've been struck downhearted, now, baby, ooh yeah
I've been so confused'Cause I know, yes I know
I've been mistreated all my life, aah
Since my baby left me
I've been losin' my mind, ohI've been lonely, oh yeah oh
I say I've been cold, I'm gettin' old
I've been lookin' for a woman, all the time to stay, yeah
Someone to have an' holdBut I know, yeah, I know
I've been mistreated, left for dead
Since my baby left me, I've been losin', losin', yeah
Baby I've been losin' my mind, oh
Losin' it all the time, yeahOh, I've been so abused, yeah, yeah
I say I've been lookin' for a woman, all my life
Someone who won't leave me confused
Like they do, yeah yeahBut I know, oh, I've been mistreated
And generally left for a day
Since my woman left me, I've been losin', losin', oh
Baby, I've been losin' my mindAll the time, yeah, oh, hey, ohh, hey, ohh
Losin' my mind all the time, yeah
Oh, oh, oh, losin' my mind, I sayBut I'm losin' my mind, all of the time
I'm goin' around
Lookin' for you, nothin' to do
Losin' my mindOoh, ooh, oh, oh
Losin' my mind
Let's go, ooh, ooh, ooh, ooh
We've been losin' our minds
Oh, oh, oh, oh, ohh
