Are You Ready?

Rita Hosking

Life can end on you suddenly
By ways you may not foresee
Would you be dragged to eternity
Or walk on your own two feet?

Are you ready, are you ready
Ready for that long sleep?
Have you expressed your love,
Let your soul speak?
Are you ready to leave?

When that pale rider claims you,
Wraps you in his gray shroud,
Will you hang hog-tied behind him,
Or will you ride tall and proud?

Are you ready...
