Mambo Swing

Mambo Masters

Swingin' through the jungle, I have sailed the 7 sea's
King of the monkeys and nothing bothers me
I wanna fly right through the sky, I wanna touch the moon
But I hear it call me and I have to go back soonFires in the city, there was dancin' in the streets
More than a scene and mambo was the king
I wanna fly right back through time, like a fever without care
And I hear it calling me and I wanna take you there
So please baby, show me that you are mine
