

# Next in Line

## Daniel Padilla

What has life to offer me when I grow old?  
What's there to look forward to beyond the biting cold?  
They say it's difficult  
Yes, stereotypical  
What's there beyond sleep, eat, work in this cruel life?  
Ain't there nothing else 'round here but human strife  
Cause they say it's difficult  
Yes, stereotypical  
Gotta be conventional  
You can't be so radical[Chorus]  
So I sing this song to all of my age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line  
What has life to offer me when I grow old?  
What's there to look forward to beyond the biting cold?  
Cause they say it's difficult  
Yes, stereotypical  
Gotta be conventional  
You can't be so radical[Chorus]  
So I sing this song to all of my age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line  
We are next in line, whoa oh  
We are next in line  
And we gotta work,  
We gotta feel  
Let's open our eyes and do whatever it takes  
We gotta work,  
We gotta feel  
Let's open our eyes now, oh whoa[Chorus]  
And I sing this song to all of our age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line  
We are next in line, oh oh  
We are next in line
