

# I Ain't Movin'

Micah P. Hinson

You can test me all you want

I am changing

And you can taunt me all you like

But I am sane And you can push all you dare

I ain't movin'

And you can please me all you need

But I ain't deciding And you can test me all you want

I ain't changing

And you can taunt me all you like

But I ain't sayn

And you can push me all you dare

I ain't movin'

And you can please me all you need

But I ain't deciding
