

# My Terrible Friend

## The Pains of Being Pure at Heart

What did you take? 'Cuz that's what I'll take,  
and I can't take it without you When I feel dead, I lay in my bed  
I don't want to lay here without you Now you can't stand, well I understand  
You can take my heavy hand 'Cuz I can't resist the touch of your lips  
I feel the bliss on my fingertip soh shit And I'm scared that this could end  
face down in the park again  
wondering where I left my mind last night  
but that's alright, you're my terrible friend Everyone is pretty and fun, everyone is lovely and young  
Everyone is gentle and gone, but everyone's just everyone And you're the one who's breaking me  
And you're the one who just won't leave  
Still I don't want it to end, you are my terrible friend
