Chronic

Three Days Grace

Well look around and what you
See is what you get
Well I'm going to start it off,
Get ready, get setI've been walking thin lines
Since I don't know when
It's like I cracked the ice and
Now I'm falling inKeep on choking, and I'm going to fly (X2)
Lay me down, lay me down to bed
With dreams a' crawling,
Crawling through our head
Then let it fly, let it go away
And if he dies, you know that he will stayThoughts go through my head
Like a freight train flying
Well I'm gonna give it all up,
I'm sick of trying (x2)Keep on choking, I'm going to fly (X2)
Lay me down, lay me down to bed
With dreams a' crawling
Crawling through our head
Then let it fly, let it go away
And if he dies, you know that he will stay
There he isLay me down, lay me down to bed,
With dreams a' crawling,
Crawling through our head
Let it fly, let it go away
And if he dies, you know that he will stayHe will stay.he will stay
Well if he dies you know that he will stay
