And I'll always turn to you

ThreeWhen were united
Standing tall
All our backs against the wall
We can't be beat if we are all together
Were magic number
When things look up
It's getting tough
And you don't know what to do
It just depends if you've got friends
To help you make it throughOf all the numbers that could be
The most important number 3
Stands for you and you and me together
Were a magic number
(3 is a family)Were on our way and nothings gonna stop us
Were a trio
We've got 3 in the family3 is a family
3 is a family
3 is a family
