Distance (Track Commentary)

Evergrey

It's lost but we'll find it again.
We must try even if it's a distant future.
It was all in our hands til the end.
I just wish we had known so much sooner.It's not over, we'll soon be closer than before.
Can't let this distance, keep our destined souls apart.There's so much I'd have shared, if I could.
But my reach is not getting through to you.
so many time I was misunderstood.
I just wish we had spoken so much sooner.
It's not over, we'll soon be closer than before.
Can't let this distance, keep our destined souls apart.{Guitar Solo}We were caught in a swirl of a devious tide.
Where I wish I could have guided us through to eternal.
And when I ran with you towards the light.
Instead I was drawn further and further away.It's not over, we'll soon be closer than before.
Can't let this distance, keep our destined souls apart.
(Children/Chorus)
It's not over, we'll soon be closer than before.
Can't let this distance, keep our destined souls apart.{Outro}
