You're All That I Need

Jonathan Butler

Ooh thinking 'bout You, can't live without You
When no one else cared, Your arms were right there to hold me
And lead me to the place of Your heart
In You there was peace, that I never knew, my joy's been
Restored and it's because of YouOh, I'm thinking 'bout You
Can't stop thinking 'bout You
Never wanna be without You
You're all that I need
I'm happy 'bout the life You gave me
I just wanna say thank You 'cause You're all that I needThrough uncertainty, Your promise to me was that
You'll never, never leave me all alone
I'm gonna be strong, I'm gonna hold on,
With You by my side all things are possible
All that I need, all that I need
Ooh thinking 'bout You, can't live without You
