Blake Shelton

Another summer day
Has come and gone away
In Paris and Rome
But I wanna go home
Maybe surrounded by
A million people I
Still feel all alone, I wanna go home
Oh, I miss you, you know
And I?ve been keeping all the letters
That I wrote to you, each one a line or two
?I?m fine baby, how are you??
I would send them but I know
That it?s just not enough, my words were cold and flat
And you deserve more than that
Another airplane, another sunny place
I?m lucky I know but I wanna go home
I?ve got to go home, let me go home
I?m just too far from where you are
I wanna come home
And I feel just like I?m living someone else?s life
It?s like I just stepped outside
When everything was going right

And I know just why you could not come along with me
This was not your dream
But you always believed in me
Another winter day
Has come and gone away
In even Paris and Rome
And I wanna go home
Let me go home
And I?m surrounded by
A million people I
Still feel alone and I wanna go home
Oh, I miss you, you know
Let me go home
I?ve had my run
Baby, I?m done
I'm coming back home

Let me go home
It will all be all right
I?ll be home tonight
I?m coming back home
