

Midnight Alley Emergency

Joel Beazer & The Fast Lane

I left you a message
Did not seem to get it
The night was cold and I felt all alone
Just to hear your voice. Just to hear your voice....
Just to hear your
Voice

Midnight Alley Emergency x2

I'll do my time then i'll kiss you goodbye x2

Well i looked through old addresses
Could not seem to get it
My body was cold and i shivered beyond control
Just to hear your Voice
Just to hear your Voice
Just to hear your
Voice

Midnight Alley Emergency x2

I'll do my time then i'll Kiss you goodbye....
I'll do my time then i'll kiss you good
Bye
