Freakshow

Britney Spears

10 pm to 4 and I came to hit the floor
Thought you knew before but if you don't then now you know
Yo tonight I'm 'bout to mash make them other chicks so mad
I'm 'bout to I shake my ass, snatch that boy so fastIt's all about me and you doin' how we do
Tear the floor up up, tell 'em to make room
If they wanna know, tell 'em mind their own
But if they wanna look, we can give 'em a encoreMake it a, freakshow, freak, freakshow
We can give 'em a peep-peepshow, peep-peepshow
Don't stop it let it flow, let your inhibitions go
It's a crazy night, let's make a, make a freakshowMake it a freakshow, freak
A freakshow, a freakshow
Make it a freakshow, freak
A freakshow, a freakshowMake 'em they clap when we perform
Wanna be crazy we can show 'em
Dancin' table top freaky freaky do outside the norm
On some super starish, pushin' hot Bugatti whips
Rockin' new designer fits, we can do it if you wit itIt's all about me and you doin' how we do
Tear the floor up up, tell 'em to make room
If they wanna know, tell 'em mind their own
But if they wanna look, we can give 'em a encoreMake it a, freakshow, freak, freakshow
We can give 'em a, peep-peepshow, peep-peepshow
Don't stop it let it flow, let your inhibitions go
It's a crazy night, let's make a, make a freakshowMake it a freakshow, freak
Freakshow, freakshow
Freakshow, freak
Freakshow, freakshowMe and my girls 'bout to get it on
Grab us a couple boys to go
Said, me and my girls 'bout to get it on
Grab us a couple boys to goMe and my girls 'bout to get it on
Grab us a couple boys to go
Said, me and my girls 'bout to get it on
Grab us a couple boys to goFreakshowMake it a, freakshow, freak, freakshow
We can give 'em a, peep-peepshow, peep-peepshow
Don't stop it let it flow, let your inhibitions go
It's a crazy night, let's make a, make a freakshowMake it a
Make it aMe and my girls 'bout to get it on
Grab us a couple boys to go
Said, me and my girls 'bout to get it on
Grab us a couple boys to goFreakshow
