December

Basia Bulat

I touched the ink on my paper,
A permanant scar i'm gonna carry forever to remember your arms
And though your eyes were december when you had june in your heartAnd now your hands are so restless,
I never knew how you felt
And now i'm crossing my fingers, cause nothing else helps,
And I don't want to forget you but I can't help myselfI want to hang on even though you're gone
And it wont be long 'til winter's gone again
Oh, oh, I want to hang on even though you're gone
And it wont be long 'til winter's gone again
