

# Mother Earth

## Perfect Future

You may high five me all the time  
You may never go my way  
Mother Earth is layin' for you  
'Cause there's a debt you've got to pay  
I don't care how rich you are  
I don't care what you're worth  
When it all comes down  
You've got to go back to Mother Earth  
You may own half a city  
Diamonds and pearls  
You may buy an airplane, baby,  
And fly all over this world  
I don't care how great you are  
I don't care what you're worth  
When it all comes up  
You've got to go back to Mother Earth

You may play the racehorses  
You may own a racetrack  
You may have enough money, baby,  
To buy anything you like  
I don't care how great you are  
I don't care what you're worth  
When it all goes up  
You've got to go back to Mother Earth  
You may play the racehorses  
You may own your own track  
You may have enough money  
To buy anything you like  
I don't care how great you are  
No, I don't care what you're worth  
When it all comes up  
You've got to go back to Mother Earth
