

# Louisiana Woman, Mississippi Man

## Loretta Lynn & Conway Twitty

Loretta Lynn & Conway Twitty Hey, Louisiana woman, Mississippi man

    We get together every time we can.

    The Mississippi River can keep us apart

    There's too much love in the Mississippi heart.

Too much love in this Louisiana heart. See the alligators all a waitin' nearby

    Sooner or later they know I'm gonna try.

    When she waves from the bank don't you know I know

    It's goodbye fishin' line, see you while ago.

    With a Louisiana woman waitin' on the other side

The Mississippi River don't look so wide. Louisiana woman, Mississippi man

    We get together every time we can.

    The Mississippi River can keep us apart

    There's too much love in the Mississippi heart.

    Too much love in this Louisiana heart.

    Well, I thought I'd been loved but I never had

    Till I was wrapped In the arms of a Mississippi man.

    When he holds me close it feels almost

    Like another hurricane just ripped the coast.

    If he can't come to me I'm gonna go to him

That Mississippi River Lord I'm gonna swim. Hey, Louisiana woman, Mississippi man

    We get together every time we can.

    The Mississippi River can keep us apart

    There's too much love in the Mississippi heart.

Too much love in this Louisiana heart. Well, Mississippi River, Lord, it's one mile wide

    And I'm gotta get me to the other side.

    Mississippi man, I'm losin' my mind

    Gotta have your loving one more time.

    I'm gonna jump in the river and here I go

    Too bad alligator you swim too slow.

    Hey, Louisiana woman, Mississippi man

    We get together every time we can.

    The Mississippi River can keep us apart

    There's too much love in the Mississippi heart.

    Too much love in this Louisiana heart. There's too much love in the Mississippi heart.

    Too much love in this Louisiana heart. Heae... There's too much love in the Mississippi heart.

    Too much love in this Louisiana heart. There's too much love in the Mississippi heart

    Too much love in this Louisiana heart...
