kabilugan(highmoon)

Popong Landero

Kabilugan

Luha mo'y pawiin, halina sa aking piling
Sa mundong payapa, mananaig ang pag-ibig

Chorus:
Ngayong gabi kita'y aawitan
Sa ilalim ng kabilugan ng buwan
(repeat 2x)

Luha mo'y pawiin, halina sa aking piling
Sa mundong payapa, mananaig ang pag-ibig

(repeat chorus 4x)

Adlib:

(repeat chorus 4x)

Adlib:

Chorus:
Tonight i'm gonna sing you a song
Cause the moon is high, the moon is high (repeat 4x)

Wipe your tears away, love is here can we stay
Stormy days are over, love will keep us together,

Chorus:
Tonight i'm gonna sing you a song
Cause the moon is high, the moon is high (repeat 4x)
