

Maria

George Strait

Ther'es a soft rain tappin' on your window
There's a cool breeze blowin' off the bay
And a warm flame dancin' with our shadows
 To music playin' far away
 I never meant to stay an hour
I thought that I was passing through
 Another town along the highway
I never meant to fall for you[Chorus]
 But I can't speak for you Maria
 I only know the way I feel
 When I sleep with you, Maria
There's nothing left for dreams to stealOn a Bible by the mirror
 The only treasures that we hold
 The only secrets that we're keepin'
A watch, a chain, a cross of gold[Chorus]When the sunlight brings the mornin'
 I can't tell you what I'll do
 But I've a mind to take you with me
And I've got heart to stay with you[Chorus]When I sleep with you, Maria
 There's nothin' left for dreams to steal
