

# H.A.T.E.U. (Jason Nevins "Loves U" Remix)

## Mariah Carey

Once upon a time  
We swore not to say goodbye  
Something got a hold of us  
And we changed  
And you sat alone in pride  
And I sat at home and cried  
How'd our fairy tale just end up this way? We went round for round  
Til' we knocked love out  
We were laying in the ring  
Not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye? I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause  
I can't wait to face you  
Break you down so low there's no place left to go  
I can't wait to hate you, ooh This was all a phenomenon that no one could explain  
And I wish I could press reset and feel that feeling again  
I sit and press rewind  
And watch us every night  
Want to pause it but I can't make it stay We went 'round for 'round  
'Til we knocked love out  
We were laying in the ring  
Not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye? I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause  
I can't wait to face you  
Break you down so low there's no place left to go  
I can't wait to hate you, ooh No need to call my phone  
'Cause I changed my number today  
And matter fact I think I'm moving away (away)  
Sorry the frustrations got me feelin' a way  
And I just keep having one last thing to say

And I just want to hold you, touch you, feel you  
Be near you, I miss you babe babe babe (babe babe babe)  
I am tired of tryin' to fake through  
But there is nothing I can do  
Boy I can't wait to hate you I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause  
I can't wait to face you  
Break you down so low that there's no place left to go  
I can't wait to hate you baby ooh I can't wait to hate you  
But right now I need you  
I can't wait to hate you  
I can't wait to hate you  
But right now I need you
