Musta Been Wrong

Saliva

Long time to see you
Long time to see you
Don't matter who you seem to be
It's a long time to see you
Long time to love you
Still thinkin' of you
It doesn't matter who you seem to beIt's a long time to love you
So what went wrong?
What went wrong?Long time to see it
Long time to be it
Creeping up fast, it blinded me
It's a long time to be it
Long time to love you
Still thinking of you
It don't matter who you seem to beIt's a long time to love you
So what went wrong?
What went wrongAnd you can wait so long
You can wait so long
And you can wait so long
I musta been wrongC'mon, I musta been wrong
I musta been wrong
I musta been wrong
I musta been wrong
C'mon, c'monAnd you can wait so long
You can wait so long
And you can wait so long
I musta been wrong
I musta been wrong
I musta been wrongWh-wh-what went wrong?
Wh-wh-what went wrong?
