Iris (Hold Me Close)

U2

The star that gives us light
Has been gone a while
But it's not an illusion
The ache in my heart
Is so much a part of who I amSomething in your eyes
Took a thousand years to get here
Something in your eyes
Took a thousand years, a thousand yearsHold me close
Hold me close and don't let me go
Hold me close
Like I'm someone that you might know
Hold me close
The darkness just lets us see
Who we are
I've got your life inside of meIris, IrisOnce we are born
We begin to forget
The very reason we came
But you I'm sure I've met
Long before the night
The stars went out
We're meeting up againHold me close
Hold me close and don't let me go
Hold me close
Like I'm someone that you might know
Hold me close
The darkness just lets us see
Who we are
I've got your life inside of meIris, IrisThe stars are bright
But do they know
The universe is beautiful but cold
You took me by the hand
I thought that I was leading you
But it was you made me your man
Machine, I dream where you are
Iris standing in the hall
She tells me I can do it all
Iris wakes to my nightmares
Don't fear the world
It isn't thereIris playing on the Strand

She buries the boy beneath the sand
Iris says that I will be the death of her
It was not meIris, Iris
She said free yourself to be yourself
If only you could see yourself
Free yourself to be yourself
If only you could see
