

# In Summer

## Anastacia

I wish that there could be more days in summer  
I wish that autumn wouldn't come so soon  
'Cause when the sun goes away  
I'm left in the shade

Oh, I wish that you could warm me in the winter  
They say that springtime is so beautiful  
But I see nothing but rain  
And short windy days  
And I only feel safe

When your arms are wrapped around me  
So forget the clouds, I don't feel the rain  
Even though the seasons may change  
I see the sun when I hear your name

Give me a reason, a reason to start again, yeah  
I wish that there could be more days in summer  
I wish that autumn wouldn't come so soon  
'Cause when the sun goes away  
I'm left in the shade

Oh, I'd love to see the leaves fall in September  
And the snow drops in December just the same  
But it leaves me in a daze  
Can't wait to see your face, oh

Yeah, and I only feel safe  
When your arms are wrapped around me  
So forget the clouds, I don't feel the rain  
Even though the seasons may change  
I see the sun when I hear your name  
Give me a reason, a reason to start again  
I only feel safe when I'm in your arms  
It's another day that we can't escape  
It won't be too long till love finds its way  
To start again

So forget the clouds, I don't feel the rain  
Even though the seasons may change  
I see the sun when I hear your name  
Give me a reason, a reason to start again  
Oh yeah, yeah

I said I love you, I love you, I love you

Oh, yes I do, I truly love you  
Hey yeah, hey yeah, hey yeah, oh  
Oh yeah, hey yeah, oh, oh, oh, oh  
I said now take me to the end for me  
Yeah hey, yeah, yeah, yeah
