Harder Faster

W.A.S.P.

HARDER FASTER
I don't care if you track me down
Like an animal that's on the run
Tie me down spread-eagle
Leave me dyin' in the sun
Cause I scream bloody murder
When you writhe and when you squeeze
You smell my blood and you come runnin'
Taste me if you please
Lick it hard, lap it up, do it now baby, touch it, touch it
Lick your lips and flash your paws
Suck me suck me eat me raw
Oooh, Harder faster
Yeah, that's what I need cause
Now that's what I'm after
Come do that wicked deed aha
I can hear those cries of love
A wolf howls at the moon
A heart attack, a sex maniac
With rock salt in my wounds
Cause I can feel my pulsing vein
Make it last, last all night long
I taste the bliss I wet the lips
And I don't care if it's wrong
Lick it hard, lap it up, do it now baby, touch it, touch it
Lick your lips and flash your paws
Suck me suck me eat me raw
Oooh, Harder faster
Yeah, that's what I need cause
Now that's what I'm after
Come do that wicked deed Aha
Slippin' slidin' strokin' the devil's hand of sin
Screamin wild and smokin' the ecstacy begins
Listen to your woman here
She say she don't want none of this slow down crap
You know what I'm talkin' 'bout?
Oooh, Harder faster
Yeah, that's what I need cause
Now that's what I'm after

Come do that wicked deed aha
