Mother of Mercy

Iron Maiden

Sitting waiting in the falling rain
Getting ready to begin againWounded lying crying

Bodies moving dying

All around there is the smell

Of death and fireHere the planes are coming

Hear the soldiers running

Killing on a scale to comprehendWhy are we here

In this place... here to kill

Please God forgive us for

what we have doneI always thought I was doing right As of now I'm not feeling so sureI'm at a place of where

I give no grace

I'm a soldier of warI sit waiting for my darkest hour

To come

I cannot think about the things

That I have done

It shouldn't take a fool to see

That I believe

Accept the consequence

Repent for what I've doneYou tell me what is certain

But I'll tell you what is true

You tell me that is honesty

When all around is death and cruelly The making of a man is fire

Not giving in to our desires

Within the truth that lies

Within the only thing

Mother Of Mercy

Angel of death desire

Mother Of Mercy

Taking my last breath of fireMother Of Mercy

Angel of pain

Mother Of Mercy

Taking my last breathSome say you are a lost cause

Some say you're a Saint

Just being here's an act of

sufering and restraintWalk down the long dark road

To ruin panic not

I'll die a lonely death of that

I'm certain ofRivers flow with blood

There's nowhere left to hide
It's hard to comprehend
There's anyone left aliveSick of all the killing
And the reek of death
Will God tell me

What religion is to manI don't hold with bad religion
Understand what's underneath it
Now I come to think of it

I just don't hold at all you know itYou say you are a holy man But what is it you do

From where I stand is nothing
But a hallow man I seeMother Of Mercy
Angel of death desire

Angel of death desire Mother Of Mercy

Taking my last breath of fireMother Of Mercy

Angel of pain

Mother Of Mercy

Taking my last breathI'm just a lonely soldier fighting
In a bloody hopeless war
Don't know what I'm fighting
Who it is or what I'm fighting forThough it was for money
Make my fortune now I'm not

Make my fortune now I'm not So sure Seem to just have lost my way
