

When I'm Dead

Stabbing Westward

I know the tears you're crying in your bed at night alone
I've cried those tears a thousand times
But those shallow empty songs about suicide are patronizing
You've got to learn to face your fearsOr do you think I'll be less lonely when I'm dead
It can't silence all the voices in my head
I close my eyes but I can't make it go away
Do you think I'll be less lonely
God I pray that I'm not lonelyWhen I'm dead
When I'm dead
When I'm dead
When I'm deadWhen I'm dead I won't feel any pain
And when I'm dead I won't feel anythingWhen I'm dead
When I'm dead
When I'm dead
When I'm deadI know the songs you're singing, saying nothing loud and clear
I've heard that song a thousand times
But your shallow empty lies about suicide are patronizing
You can never understand what I feelOr do you think I'll be less lonely when I'm dead
It can't silence all the voices in my head
I close my eyes but I can't make it go away
Do you think I'll be less lonely
God I pray that I'm not lonelyWhen I'm dead
When I'm dead
When I'm dead
When I'm dead
