

# Sorority Girl (Demo)

Luke Bryan

You got your sundress on for game day  
Just to drink beer on an old tailgate  
You were born and raised to be a southern belle  
But in a place like this you like to raise a little hell  
You got your year-round tan  
You're on the five year plan  
You shake your little pom poms up in the stands  
My my my little ADPI, Kappa Delta  
Tri Delts you look so fine  
Ooh don't know what I'm gonna do around those  
Zeta's, Theta's, Chi O's and little Phi Mu's  
Hey yea hey yea  
My my sorority girl, my my sorority girl  
You got that high school boyfriend you still think about  
You know how to make him jealous when he comes into town  
You drive your little love bug when you're skipping class  
And your sisters get you home when you're drunk off your ass  
You know how to be a lady  
Yeah you're still your daddy's baby  
You drive the band and the boys and the bartenders crazy  
My my my little ADPI, Kappa Delta  
Tri Delts you look so fine  
Ooh don't know what I'm gonna do around those  
Zeta's, Theta's, Chi O's and little Phi Mu's  
Hey yeah hey yeah  
My my sorority girl, my my sorority girl  
Ooh here you come again  
Walking my way  
And there I go again with nothing to say  
My my my little ADPI, Kappa Delta  
Tri Delts you look so fine  
Ooh don't know what I'm gonna do around those  
Zeta's, Theta's, Chi O's and little Phi Mu's  
Hey yeah hey yeah  
My my sorority girl, my my sorority girl  
Yeah you rock this county boy's world  
My my sorority girl
