

# Hurt Me

Amos Lee

Well the sun come up and I'm feelin' so blown away  
Don't know what I'll do to make it through another day  
Cause I'm reaching past the breaking point again  
And I'm beggin' you to put this to an end I want you to hurt me  
Break me down I want you to hurt me  
Let the pain lead me out I don't want your mercy, tonight  
I wanna see the devil in your eyes  
Are you strong enough to watch me die  
Late at night while I lie awake watching you so peacefully  
Oh a fantasy of how you're gonna set me free  
Cause this brutal truth is too true to deny  
And I'm begging you to free the pain that locks me up inside  
I want you to hurt me Break me down  
I want you to hurt me  
Let the pain lead me out  
I don't want your mercy, tonight  
I want to feel the devil in your eyes  
Are you strong enough to watch me die  
I want you to hurt me Break me down  
I want you to hurt me  
Let the pain lead me out  
I don't want your mercy, tonight  
I want to feel the devil in your eyes  
Are you strong enough to watch me die
