Warm

Johnny Mathis

Come bring me your softness
Comfort me through all this madness
Woman, don't you know, with you I'm born againCome give me your sweetness
Now there's you, there is no weakness
Lying safe within your arms, I'm born againI was half, not whole
In step with none
Reaching through this world
In need of oneCome show me your kindness
In your arms I know I'll find this
Woman, don't you know, with you I'm born again
Lying safe with you I'm born againCome bring me your softness
Comfort me through all this madness
Woman, don't you know, with you I'm born againCome give me your sweetness
Now there's you, there is no weakness
Lying safe within your arms, I'm born again
Woman, don't you know, with you I'm born againI was half, not whole
In step with none
Reaching through this world
In need of oneCome show me your kindness
In your arms I know I'll find this
Woman, don't you know, with you I'm born again
Lying safe with you I'm born again
