

# Sweet Love

## Kaskade

I know we have rainy days  
It's only scary if it gets down to you  
Hear now what I say, there's one way  
Feel the rhythm, have a taste of some

Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.

Yeah, it's just like I'm sayin' boy  
You know it's right  
To make it takes a whole lot of paradise  
Yeah you see it now  
You know it's funny how we change when our lives get a taste of the

Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.

There are some things I can do without  
Some things I just don't need  
Too much in life gets cluttered  
I like the feel of simplicity and

Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.

So in love, so  
So in love, so

No matter that the sky is gray  
Sweet love took the clouds away  
You know it's right, c'mon inside  
Sweet love to come home tonight

I know we had rainy days

It's only scary if it gets down to you  
Hear now what I say, there's one way  
Feel the rhythm, have a taste of some

Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.  
Sweet, sweet love.

So in love, I don't want to do this thing  
High on you  
So in love, I don't want to do this thing  
High on you
