The Walls Will Fall

Terror

The walls will fall
With a sense of purpose
A future paralyzedFor Years unsettled
No longer at easeA nation's will cannot be beatCrucial change with in our minds
The walls will fall
The hammers of truth - They will decide
With the force of thousands
Echoes thru my mind
Crash this age of liesCrucial change within our minds
The walls will fall
The hammers of truth - They will decide
Crucial change in our mind
The walls will fall
Side by side
Living in a sick world
Living in these violent times
The walls will fall - It's got to change
Crash this age of lies
