

May It Be

[Hayley Westenra](#)

May it be an evening star shines down upon you
May it be when darkness falls your heart will be true
You walk a lonely road, oh, how far you are from homeMornie utulie
Believe and you will find your way
Mornie utulie
A promise lives within you nowMay it be the shadow's call will fly away
May it be your journey on to light the day
When the night is overcome you may rise to find the sunMornie utulie
Believe and you will find your way
Mornie utulie
A promise lives within you now
A promise lives within you now
