

No Justice

Clinton Fearon

Sammy and his friends went out to play in the park then
On their return Sammy got shot and was pronounced dead
They were simply going home to their stead when
Officer crown shot Sammy down in cold blood he sad That's what you get for not doing what I say
That's what you get oh I want to konw
For a law man is that a reason to shoot a civilian
Why tell I why oh why oh why it seems There's no justice at all oh I say
No justice at all I want to konw
Why officer crown didn't get indicted
And charged for this action
Why tell I why oh why oh why hey
Sammy and his friends went out to play in the park then
On their return Sammy got shot and was pronouced dead
They were simply going home to their stead when
Officer crown shot Sammy down in cold blood
Too much power in the hands of the ignorant
Too much power in the belligerent
Too much power in the hands of the incompetent
Too much power in their hands of entitlement
People are saying
There's no justice at all yes we are saying
No justice at all still we want to konw
Why officer crown didn't get indicted
And charged for his action
Why tell I why oh why oh why oh why hey There's no justice at all
