And We Danced

The Hooters

She was a be-bop baby on a hard day's night.
She was hangin' on Johnny , he was holdin' on tight
I could feel her coming from a mile away.
There was no use talking, there was nothing to say
When the band began to play and play.

[Chorus]
And we danced like a wave on the ocean, romanced
We were liars in love and we danced
Swept away for a moment by chance
And we danced and danced danced.

I met my be-bop baby at the Union Hall
She cold dance all night and shake the paint off the walls.
But when I saw her smile across a crowded room
Well I knew we'd have to leave the party soon
As the band began to play out of tune.

And we danced like a wave on the ocean, romanced
We were liars in love and we danced
Swept away for a moment by chance
And we danced and danced danced.

The endless beat she's walking my way
Hear the music fade when she says
Are we getting too close, do we dare to get closer
The room is spinning as she whispers my name

And we danced like wave on the ocean, romanced
We were liars in love and we danced
Swept away for a moment by chance
And we danced, danced, danced.
