

# Song for Ria

## Mark King

Your every order  
Is my command  
There's nothing I won't  
Do if you askLet's build a castle  
Upon the ridge  
Find our own island  
I'll be your bridgeIf the two of us set up anywhere  
How could we be afraid  
All in all there's nothing we can't doSo did I tell you  
How great you are  
If I could paint you  
I'd paint that starLet's start a family  
We'll work the land  
Your every wish  
Is my first commandAnd if we spent our lives together  
We could look back and say  
All in all I'm glad it went that way  
All in all there's nothing I would change
