Don't Say You Love Me

Fifth Harmony

Don't say you miss me when you don't call
Don't say you're hurting without the scars
Don't promise me tonight without tomorrow too
Don't say you love me unless you doWe've been close, but inconsistent
You hold my heart at a safer distance, yeah
You think words can ease the tension
But you can't deny that something's missingI need a little bit more
I need a little bit more
You gotta know what it's like
I know you been here before
I've been waiting, I've been patient
But I need a little more
So don't say you miss me when you don't call
Don't say you're hurting without the scars
Don't promise me tonight without tomorrow too
Don't say you love me unless you do, unless you doHow am I supposed to take it
When weeks go by and I'm still waiting?
I say I'm okay but I can't fake it, yeah
Even when I try, yeah, something's missingI need a little bit more
I need a little bit more (I need a little bit more)
You gotta know what it's like
I know you been here before
I've been waiting, I've been patient
But I need a little more
So don't say you miss me when you don't call (when you don't call)
Don't say you're hurting without the scars
Don't promise me tonight without tomorrow too
Don't say you love me unless you do, unless you do
Don't say you love me (don't say you love me) unless you do (unless you do)
Don't say you love me (oh yeah), don't say you love me (oh)
Don't promise me tonight without tomorrow too
Don't say you love me (oh yeah), unless you do, unless you do (oh)I need a little bit more
I need a little bit more
You gotta know what it's like
I know you've been here before
I've been waiting, I've been patient (yeah)
But I need a little bit more (yeah)So don't say you miss me when you don't call
Don't say you're hurting without the scars
Don't promise me tonight without tomorrow too

Don't say you love me unless you do
