

# Tahiti Rain Song

[CocoRosie](#)

Oh sailor, oh sail me  
Silver mast do impale me  
Oh windless, oh windy  
Remind me, rewind me Oh laughter, oh laughless  
Just sing this, just mean this  
Infinity whispered to me  
A mumble so dreamy A soft sound so creamy  
So dreamy, so dreamy  
Infinity whispered to me  
A mumble so dreamy A soft sound so creamy  
So dreamy, so dreamy  
So dreamy, so dreamy
